

PATHOLOGY ASSOCIATES

Same Day Service

Get patient's biopsy results the same day of the procedure!

All endoscopic, liver, ENT, skin or radiological specimens <6mm are processed and results reported with Pathology Associate's lightning-fast speed.

- Results for specimens in by 12:30 are reported by 5 p.m. that same day.
- On-line or auto-fax reporting available.

To learn more about this state-of-the-art service please contact Steve Frediani, Lab Manager @ 559-326-2752 or Michael Jones, Marketing Manager @ 559-246-8540.
